

RE20W

43" x 20" x 23.63" (H x W x D)

White Pearl electric range in slim 20" width

Highlights:

Thin-line design gives you full 2.62 cu.ft. oven capacity on a slim 20" width

Superior construction of resilient white porcelain and enamel steel looks great in any kitchen

Color matched handles and controls for a clean kitchen look

Product Features:

All steel and porcelain construction

Made from the best, the White Pearl ranges have classic style on the outside and proven durability inside

Thin-line design

Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots without sacrificing cooking capacity. The 2.62 cubic foot oven cavity is one of the industry's largest on a 20" range

Backsplash

High backing prevents stovetop contents from splashing up or boiling over and staining back walls

Four coil elements with chrome drip pans

Enjoy your stovetop cooking on three 6" and one 8" coil elements. Chrome drip pans are included to quicken clean-up

Color matched handle

White handle blends seamlessly into the range for a clean look

Broiler

The oven is equipped with a broiler to give you a full range of cooking options inside

No mistakes: keep the heat off until it's time to cook

Adjust the height of your range to accommodate uneven floors or match other kitchen units
