## SUMMIT

# LX114LPTP

#### 19.25" x 13.75" x 17.25" (H x W x D)

BeautiFridge compact cosmetics cooler with pink trimmed glass door, lock, matte blush pink shelves, and digital controls set for the storage of beauty products

#### **Highlights:**

Perfectly sized to fit into bathroom fixtures, powder rooms, or vanity tables

Adjustable digital controls specially set to run at the proper storage temperature for most beauty products

Removable storage trays feature in a matte blush finish

#### **Product Features:**

BeautiFridge Cosmetics Refrigerator	Designed and constructed to ensure the proper storage conditions for skincare products	
Specially designed for cosmetic storage	Warmer temperature setting via digital controls allow the perfect storage conditions for high value creams, cosmetics, and perfumes	
Ideal storage temperature	Operates between 42° and 65°F to keep cosmetics properly cooled	
Powerful compressor-based cooling system	Unlike thermoelectric cosmetics coolers, this model features a commercial grade cooling system to ensure faster cooling and a more stabilized temperature performance	
Digital thermostat	Adjustable thermostat located inside to prevent unsupervised temperature changes	
Compact dimensions	Less than 14" wide and 18" deep to allow for placement on vanities, countertops, and similar spaces	
Pink trimmed door	Door frame features a gentle blush trim in a matte texture	
Double pane tempered glass door	Heat resistant design provides clear view of stored products	
Automatic defrost	No-frost convenience for reduced user maintenance
