Frost-Free Choices For Every Footprint

For space-challenged kitchens, there's no better choice than SUMMIT APPLIANCE.

For over 50 years, we have specialized in serving the needs of smaller homes by offering more refrigeration choices than virtually any other manufacturer. Our household refrigerator-freezer collection includes a **wide variety of sizes and styles, from classic top mount freezer units in white to counter depth French door models** specially designed for the modern lifestyle.

We're confident that we have the answer to any hard-to-fit kitchen space.

With user-friendly features, fast delivery and competitive pricing, we are happy to be **your source for slim-fitting household refrigeration.**

Bottom Mount Choices In Counter Depth Fits

Elegant & Efficient Refrigeration In a Variety of Styles

Our bottom mount selection includes premium European refrigerators starting at just 24" wide and deep. Most models are ENERGY STAR certified and available with factory-installed icemakers, and all feature deluxe interiors for easy kitchen storage.

Energy Efficient

Save on energy costs with our ENERGY STAR certified selection, available in virtually every style.

Freezer Baskets

The bottom freezer includes pull-out storage baskets with clear fronts, perfect for keeping items in view but protecting frozen items from exposure to room temperature when the door is opened.

48" Combinations

Our FFBF181ES2KIT48 combines two of our bestselling 24" wide units with a custom top grill, ideal for filling common 48" W x 84" H spaces

Easy Use

Manage the refrigerator and freezer temperatures with easy-to-read digital temperature controls.
